## Our Purpose

To prepare God's people for effective ministry is the heartbeat of Faith International Training School (FITS) and the School of Ministry (SOM). Our programs will teach and equip you in a practical and experiential way for ministry through the impartation of knowledge, experience, and the anointing.

### Our Mission

To prepare a generation of leaders and saints equipped and established in the Word of God.

### Our Goal

- Impart the full counsel of the Word of God
- Empower you with the understanding of God's promises, rights, and privileges.
- Prepare you for the life you were born to live and fulfill the destiny God has planned for you.

## Our Programs

### FITS Biblical Studies Program (Part-time) English and Spanish

FITS Biblical Studies Program is a two (2) year certificate program where you will receive a solid Biblical education which will serve as a foundation to your Christian life and calling. The curriculum will enable you to establish closer fellowship with God and help you to develop a deeper understanding of His Word. The courses are designed to equip you with vital tools for leadership development in ministry.

Classes are conveniently held on Monday and Tuesday mornings and evenings.

### School of Ministry (SOM)

The School of Ministry is a one (1) year program designed to prepare ministry leaders for life and ministry through relevant training in the Word of God, and by offering practical training. The School of Ministry Program offers a balanced approach to ministry preparation including actual hands-on ministry experiences, preaching and teaching, counseling, sacerdotal duties and service within the local church. Upon completion, students will be well equipped for effective service within the five-fold ministry.

**\*\* Prerequisite for SOM is 18 FITS classes or graduation from another Christian bible school upon transcript review. This course is not available in Spanish at the present time.**

### FITS 6-Month Full-time Intensive Program – English and Spanish (Ingles/Español)

The full-time FITS program is an intensive six-month program to develop God-given gifts in Christian leadership. These leaders will apply to the program with the recommendation of their home ministries. They must covenant to return to that ministry for no less than one year of service, immediately following their time at FFMWOC. While participating in the many aspects of the ministry at Faith Fellowship, they will be under the supervision of proven and internationally recognized men and women of God. These leaders will leave Sayreville, New Jersey intensively experienced in practical ministry and thoroughly enriched in their biblical understanding.
