## LIFE GROUPS

### Living In Favor Everyday

### How Do I Build My Group?

1. Make a list of one or two people from each of the steps on the chart below.
2. Pray for an opportunity to tell them about your group.
3. When you speak to potential members of your group, remember you are inviting them to spend time with your Heavenly Father, who is interested in every facet of their lives.
4. Every person you select from the five groups has been given a purpose by God. You will help them discover their place in their God-given destiny.

**FAMILY:** Ask a family member to join you in leading the L.I.F.E. Group. A family member will be supportive and will always strive to make your meeting a success.

**FRIENDS:** It is easy to talk to your friends. Choose the ones that you think would benefit most from the L.I.F.E. Group

**FELLOWSHIP:** Talk to people you worship with that live in your area.

**RECREATION:** Talk with people you meet at the gym, supermarket or other community functions. While you discuss the weather, politics, etc, ask God for an opening to talk to them about your L.I.F.E. Group. You'll be surprised how willing people will be to attend. Let them know how other people are enjoying an evening once a month in your home. Explain what takes place at each meeting.

**WORK:** If you work locally, introduce L.I.F.E. Groups to your coworkers. You'll know the ones that are in need of fellowship. What a great way to bring Christ to those who need Him the most. You'll be surprised at how people are looking for the "real thing."

**You are now ready to be God's representative in bringing  
His love and power to a lost and powerless world.**
